**BEFORE THE

TEXAS COMMISSION ON

ENVIRONMENTAL QUALITY**

AGREED ORDER DOCKET NO. 2006-1958-PST-E

I. JURISDICTION AND STIPULATIONS

At its _____ agenda, the Texas Commission on Environmental Quality ("the Commission" or "TCEQ") considered this agreement of the parties, resolving an enforcement action regarding Ahmad B. Goushey ("Mr. Goushey") under the authority of TEX. HEALTH & SAFETY CODE ch. 382 and TEX. WATER CODE chs. 7 and 26. The Executive Director of the TCEQ, through the Enforcement Division, and Mr. Goushey appear before the Commission and together stipulate that:

1. Mr. Goushey owns a property with underground storage tanks ("USTs") at 1010 South State Highway 5 in McKinney, Collin County, Texas (the "Station").
2. Mr. Goushey's four USTs are not exempt or excluded from regulation under the Texas Water Code or the rules of the Commission. The Station consists of one or more sources as defined in TEX. HEALTH & SAFETY CODE § 382.003(12).
3. The Commission and Mr. Goushey agree that the Commission has jurisdiction to enter this Agreed Order, and that Mr. Goushey is subject to the Commission's jurisdiction.
4. Mr. Goushey received notice of the violations alleged in Section II ("Allegations") on or about November 4, 2006.
5. The occurrence of any violation is in dispute and the entry of this Agreed Order shall not constitute an admission by Mr. Goushey of any violation alleged in Section II ("Allegations"), nor of any statute or rule.
6. An administrative penalty in the amount of Fifteen Thousand Dollars (\$15,000) is assessed by the Commission in settlement of the violations alleged in Section II ("Allegations"). The Financial Assurance Section of the Commission's Financial Administration Division reviewed financial documentation submitted by Mr. Goushey and determined that Mr. Goushey is unable to pay part of the administrative penalty. Therefore, Thirteen Thousand Eight Hundred Dollars (\$13,800) of the penalty is deferred contingent upon Mr. Goushey's timely and satisfactory compliance with all the terms of this Agreed Order. The deferred amount will be waived upon full compliance with the terms of this Agreed Order. If Mr. Goushey fails to timely and satisfactorily comply with all requirements of

this Agreed Order, including the payment schedule, the Executive Director may require Mr. Goushey to pay all or part of the deferred penalty.

Mr. Goushey has paid One Hundred Dollars (\$100) of the undeferred administrative penalty. The remaining amount of One Thousand One Hundred Dollars (\$1,100) of the administrative penalty shall be payable in eleven monthly payments of One Hundred Dollars (\$100) each. The next monthly payment shall be paid within 30 days after the effective date of this Agreed Order. The subsequent payments shall each be paid not later than 30 days following the due date of the previous payment. If Mr. Goushey fails to timely and satisfactorily comply with the payment requirements of this Agreed Order, the Executive Director may, at the Executive Director's option, accelerate the maturity of the remaining installments, in which event the unpaid balance shall become immediately due and payable without demand or notice. In addition, the failure of Mr. Goushey to meet the payment schedule of this Agreed Order constitutes the failure by Mr. Goushey to timely and satisfactorily comply with all the terms of this Agreed Order.

7. Any notice and procedures which might otherwise be authorized or required in this action are waived in the interest of a more timely resolution of the matter.
8. The Executive Director of the TCEQ and Mr. Goushey have agreed on a settlement of the matters alleged in this enforcement action, subject to the approval of the Commission.
9. The Executive Director recognized that Mr. Goushey has implemented the following corrective measures at the Station:
 - a. On November 29, 2006, the TCEQ Dallas/Fort Worth Regional office received Statistical Inventory Reports verifying that all USTs are being monitored; and
 - b. On November 29, 2006, the TCEQ Dallas/Fort Worth Regional office received documentation verifying successful monthly monitoring of product piping.
10. The Executive Director may, without further notice or hearing, refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings if the Executive Director determines that Mr. Goushey has not complied with one or more of the terms or conditions in this Agreed Order.
11. This Agreed Order shall terminate five years from its effective date or upon compliance with all the terms and conditions set forth in this Agreed Order, whichever is later.
12. The provisions of this Agreed Order are deemed severable and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Agreed Order unenforceable, the remaining provisions shall be valid and enforceable.

II. ALLEGATIONS

As owner of the Station, Mr. Goushey is alleged to have:

1. Failed to ensure that all USTs are monitored in a manner which will detect a release at a frequency of at least once every month (not to exceed 35 days between each monitoring), in violation of 30 TEX. ADMIN. CODE § 334.50(b)(1)(A) and TEX. WATER CODE § 26.3475(c)(1), as documented during an investigation conducted on September 14, 2006. Specifically, no computer system was hooked up to the automatic tank gauging control box.
2. Failed to provide proper release detection for the product piping associated with the UST systems, in violation of 30 TEX. ADMIN. CODE § 334.50(b)(2) and TEX. WATER CODE § 26.3475(a), as documented during an investigation conducted on September 14, 2006. Specifically, the annual piping tightness tests had not been conducted.
3. Failed to test the line leak detectors at least once per year for performance and operational reliability, in violation of 30 TEX. ADMIN. CODE § 334.50(b)(2)(A)(i)(III) and TEX. WATER CODE § 26.3475(a), as documented during an investigation conducted on September 14, 2006. Specifically, the line leak detectors had not been performance tested annually.
4. Failed to inspect the impressed current cathodic protection system at least once every 60 days to ensure that the rectifier and other system components are operating properly, in violation of 30 TEX. ADMIN. CODE § 334.49(c)(2)(C) and TEX. WATER CODE § 26.3475(d), as documented during an investigation conducted on September 14, 2006. Specifically, bimonthly inspections of the impressed current cathodic protection system were not being conducted.
5. Failed to have the cathodic protection system inspected and tested for operability and adequacy of protection at a frequency of at least once every three years, in violation of 30 TEX. ADMIN. CODE § 334.49(c)(4) and TEX. WATER CODE § 26.3475(d), as documented during an investigation conducted on September 14, 2006. Specifically, the triennial test had not been conducted.
6. Failed to demonstrate acceptable financial assurance for taking corrective action and for compensating third parties for bodily injury and property damage caused by accidental releases arising from the operation of petroleum USTs, in violation of 30 TEX. ADMIN. CODE § 37.815(a) and (b), as documented during an investigation conducted on September 14, 2006.
7. Failed to conduct effective manual or automatic inventory control procedures for all USTs involved in the retail sale of petroleum substances used as motor fuel each operating day, in violation of 30 TEX. ADMIN. CODE § 334.48(c), as documented during an investigation conducted on September 14, 2006. Specifically, the Station was combining the information for all of the USTs into one inventory control record and was not gauging the tanks to the nearest one eighth of an inch.
8. Failed to verify proper operation of the Stage II equipment at least once every 12 months or upon major system replacement or modification, whichever occurs first, in violation of 30 TEX. ADMIN. CODE § 115.245(2) and TEX. HEALTH & SAFETY CODE § 382.085(b), as documented during an

investigation conducted on September 14, 2006. Specifically, the Stage II annual system compliance testing had not been successfully completed.

9. Failed to maintain the Stage II Vapor Recovery System in proper operating condition, as specified by the manufacturer and/or any applicable California Air Resources Board ("CARB") Executive Order(s), and free of defects that would impair the effectiveness of the system, in violation of 30 TEX. ADMIN. CODE § 115.242(3) and TEX. HEALTH & SAFETY CODE § 382.085(b), as documented during an investigation conducted on September 14, 2006. Specifically, the nozzle configuration on all gasoline dispensers was not in compliance with the Gilbarco "CARB" Executive Order for the UST system.

III. DENIALS

Mr. Goushey generally denies each allegation in Section II ("Allegations").

IV. ORDERING PROVISIONS

1. It is, therefore, ordered by the TCEQ that Mr. Goushey pay an administrative penalty as set forth in Section I, Paragraph 6 above. The payment of this administrative penalty and Mr. Goushey's compliance with all the terms and conditions set forth in this Agreed Order resolve only the allegations in Section II. The Commission shall not be constrained in any manner from requiring corrective action or penalties for violations which are not raised here. Administrative penalty payments shall be made payable to "TCEQ" and shall be sent with the notation "Re: Ahmad B. Goushey, Docket No. 2006-1958-PST-E" to:
